RACQUET CLUB

THE PERFECT PLACE TO PICKLE

Is Pickleball more your style? Pickleball is the latest tennis obsession rallying across America, and we can see why. It's a lower impact sport, the courts are shorter and anyone can play with minimal instruction. For newbies, beginner's Pickleball clinics are held every Thursday, making Big Canoe's Racquet Club the ideal place to play. If you've never tried the newest ball-and-racket craze, it's an easy sport for beginners to learn.

STAY AND PLAY AWHILE

Home to one of the finest Racquet Clubs in the Atlanta area, Big Canoe is a Tennis lover's dream. There are over 300 active players, and we offer a total of 10 courts to choose from; 4 Har-Tru Clay Courts (outdoor), 2 ClayTech All-Weather Courts (outdoor), 2 Hard Courts (outdoor), and 2 Indoor Courts. 6 of the 8 total outdoor courts are lighted, and 4 are specifically designated for lighted Pickleball play. Our Racquet Club sponsors clinics, leagues and special events for couples, singles, youth and seniors year-round. For more Tennis/Pickleball information, call [706-268-3367](tel:706-268-3367).

AWARD WINNING RACQUET CLUB

Big Canoe was honored with a Bliss Award as the **2017 Best Tennis Community of the Year**, by Real Estate Scorecard. The large stone patio at the outdoor complex has ample room and plenty of seating for friends and family to gather while watching Tennis and Pickleball players on the courts. Trails & Parks of Big Canoe

©2011 Big Canoe POA

Big Canoe is host to many beautiful parks, each with its own appeal, special features and lovely trails. These trails range from broad paved paths to forest footpaths, meandering among trees, streams and meadows.

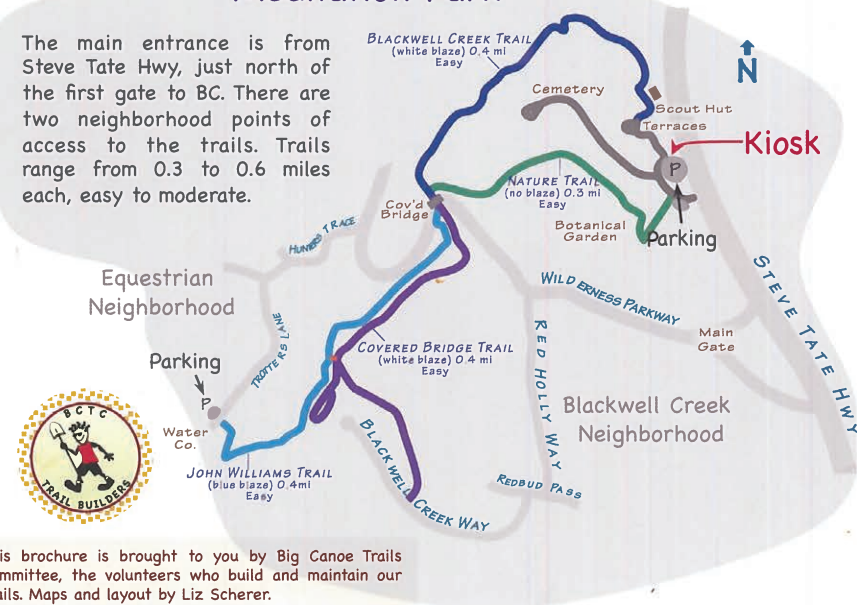

This guide gives you a brief version of the maps in the **kiosks** at the main entrances to the trails. Be sure to stop there to see more details and features about the trails and parks.

The trail names match the color of their corresponding trail. Bicycles may use the paved and gravel trails. North is up on all the maps.

When hiking be mindful of the trail lengths and carry water as needed. It is a good idea to take your cell phone along with the emergency numbers in this brochure.

Meditation Park

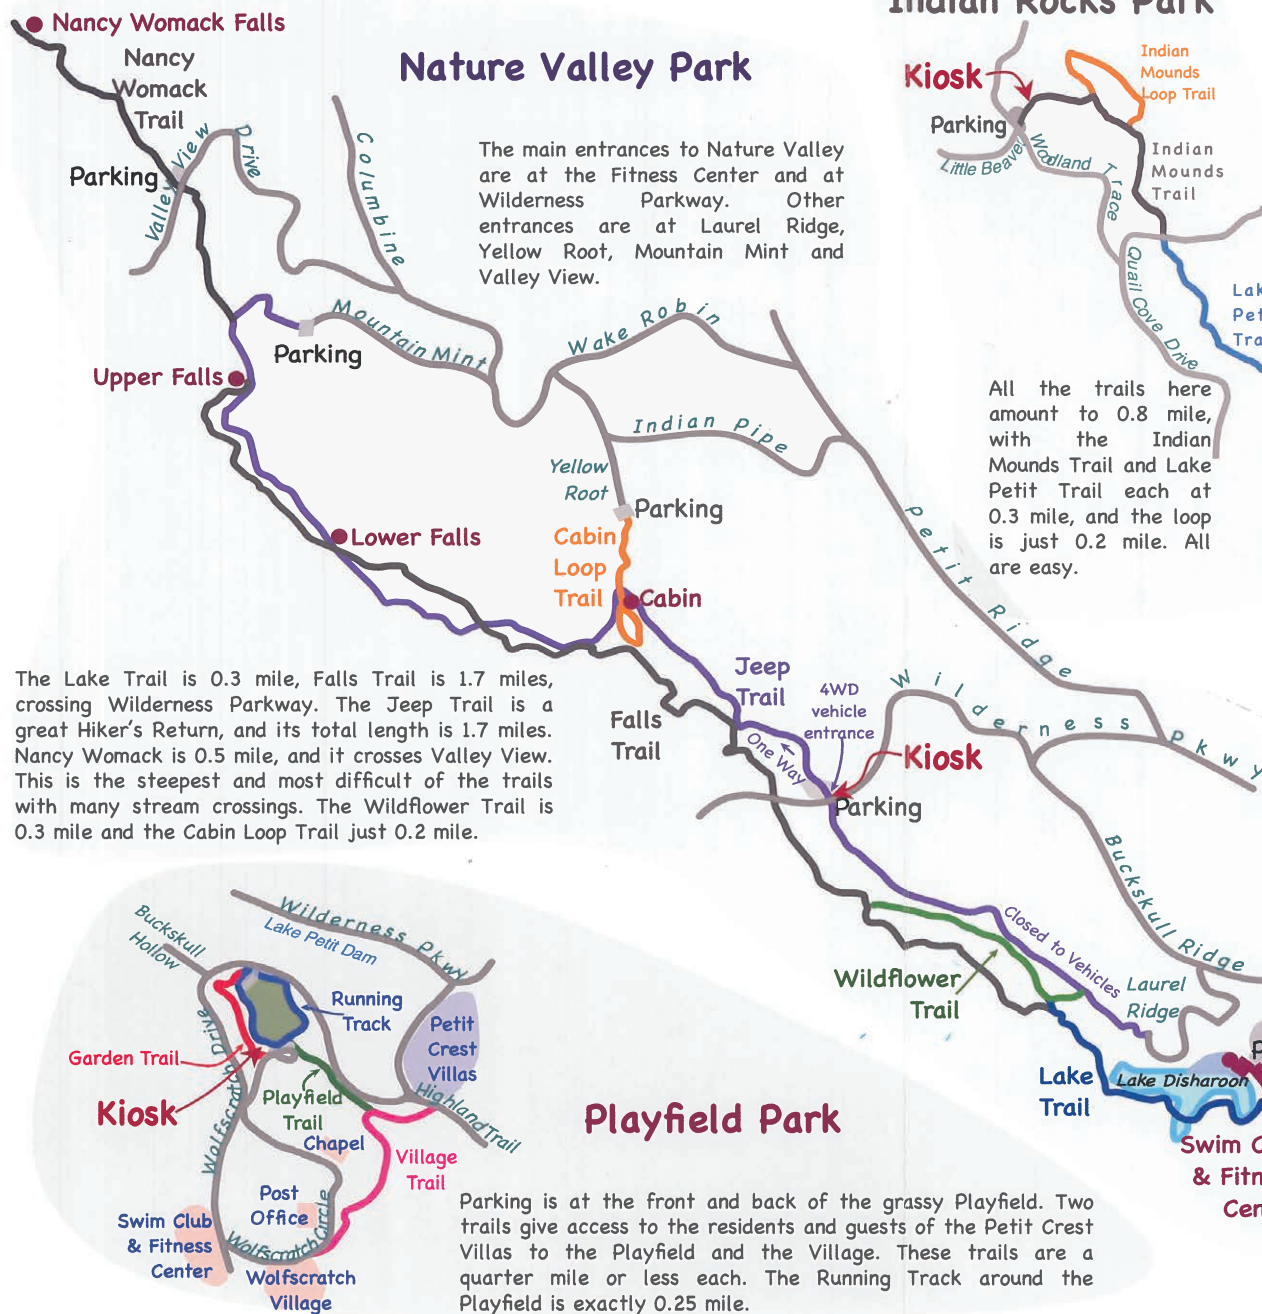

The main entrance is from Steve Tate Hwy, just north of the first gate to BC. There are two neighborhood points of access to the trails. Trails range from 0.3 to 0.6 miles each, easy to moderate.

This brochure is brought to you by Big Canoe Trails Committee, the volunteers who build and maintain our trails. Maps and layout by Liz Scherer.

HIKING TRAILS

The Lake Trail is 0.3 mile, Falls Trail is 1.7 miles, crossing Wilderness Parkway. The Jeep Trail is a great Hiker's Return, and its total length is 1.7 miles. Nancy Womack is 0.5 mile, and it crosses Valley View. This is the steepest and most difficult of the trails with many stream crossings. The Wildflower Trail is 0.3 mile and the Cabin Loop Trail just 0.2 mile.

Indian Rocks Park

Waterford

Parking is right next to the dam on Waterford Way, which connects to Wilderness Parkway about 2/3 mile from the North Gate, and to Wedgewood Drive. The two trails around the lakes amount to a mile.

Choctaw

The Choctaw Trail is 1.3 miles. It can be accessed at the end of Sinti Trail.
